"No kidding! In my opinion³ n, 3-5 is a fair and reasonable number for all my students. Template for friendly letters.Â Includes shapes with and without a classification ³. In fact, there are ³ two things I love about anchor boards (using Mr. Sketch markers and knowing my students are using them). In my class, we learn about friendly letters and then my students write to a friend by correspondence. Write creative stories that tell what's happening in the images shown. Read and write worksheetsView our complete collection³ of read and write worksheets, including grammarUtica, phonÂ®, handwriting and reading comprehension passages. Write to persuadeStudents express their personal opinions by writing persuasive essays on various topics. Common standards of basic status: 2.L.2.b Language: English conventions This b.Use commas in greetings and closing letters. Last year we wrote to students in another second grade classroom in our building. Today I want to delve into how ³ are the friendly letters in my classroom. In my classroom the kids must ask 3 or 5 new questions. Friendly letter writing in second grade Decide what Â ahead with my series of writing publications. Now, if you knew me in real life, you know that the only people I sing in front of are my own children (who treat me like a rock star) and my students (when there are NO other adults present). This is a great time to introduce or practice the ability ³ write a friendly letter.
